Hi Mike,

That makes sense to me! Lee also asked that we bring copies of the answers to David's questions, in case they come up.

David,

This is a work in progress but it would help to have your reaction as to the structure of the briefing paper. We want to be sure it will be providing Matt the information he wants. Also any reactions as to tone or substance would be appreciated. We restructure or make revisions to the document next week.

Have good weekend. And thanks for taking a look at this.

Lee
